

DOUGLAS ULLMAN CONFERENCE 2026

Bringing leading experts in behavioral health to Bowling Green, Ohio

Raising Humans in a Digital World: Supporting Youth Mental Health in the Age of Screens

FEATURING PRESENTATION BY: JORDAN GARZA

Founder and CEO of Lifeline Strategies, LLC, and Program Coordinator for Wood County Addiction Response Collaborative. Jordan has over 20 years of experience in public health and safety initiatives within government and community organizations.

AND WORKSHOP BY: SHARON & CHELSEA MAXWELL

Practicing clinical psychologist, Sharon Maxwell Ph.D., and Harvard Graduate, Chelsea Maxwell Ed.M will examine the connection between technology use and rising rates of youth anxiety, depression, dysregulation, and loneliness. Attendees will gain tools to better support healthy development in a technology-saturated world.
