

FREE TRAINING – PART 2

The Deaf and Hard of Hearing Client: Developing Clinical Competency in Mental Health Treatment

**CEUs (6.0) are available
through the CSWMFT Board
and for psychologists,
through the Ohio
Psychological Association.**

Please note: Those seeking CEUs will be
provided a certificate of attendance to
submit to their respective boards.

**Part-2 of this training is intended to be a continuation
of the information presented in Part-1.**

Clinicians will deepen their knowledge of the deaf and hard of hearing communities and learn to apply this knowledge to clinical practice through the review of case examples, guided discussion and instructive videos. Participants will gain additional information and increase their understanding of the role of the ASL interpreter on the treatment team. The full-day training will allow participants to build their area of expertise in the field of Mental Health and Deafness, ultimately leading to an increase in therapeutic successes with deaf and hard of hearing clients.

2026-2027 Training Dates

October 30, 2026 • December 11, 2026 • March 5, 2027

All Sessions are Virtual via Zoom 9:00 am – 4:00 pm. ASL interpreters and Zoom captioning will be provided.

*ASL Interpreters will
