### Advanced Cannabis Impairment Training

ACIT is an 8-hour course that is designed to train law enforcement officers to observe, identify and articulate the signs of impairment related to cannabis. The goal is to reduce impaired driving incidents and crashes that result in serious injuries and fatalities. The course includes classroom and practical instruction by Drug Recognition Experts.

Requirements to enroll: Be a commissioned law enforcement officer and have attended ARIDE.

Registration is required, seating is extremely limited. You will be notified if you are registered or waitlisted.

There is no cost to attend.
