Advanced Cannabis Impairment Training

ACIT is an 8-hour course that is designed to train law enforcement officers to observe, identify and articulate the indicators of impairment related to cannabis. With the goal of reducing impaired driving incidents and crashes. The course includes classroom and practical instruction by Drug Recognition Expert Instructors. This course is endorsed by the DRE program.

**** Requirements to enroll:** Be a commissioned law enforcement officer and have attended ARIDE.

***There is no cost to attend**
