

**JOIN US FOR A STEAM WORKSHOP**

# RENEWABLE ENERGY WORKSHOP FOR EDUCATORS

**February 12th, 2022 @ 8:30 AM to 3:30 PM**

**University of Oklahoma**

**Rawls Engineering Practice Facility**

**Rm. 200 (Multipurpose room)**

**850 Jenkins Ave. Norman, OK 73019**

**Are you interested in learning or teaching about the science and technology around wind turbines and blade design? Are you looking for hands-on activities for your classroom?**

**This energy-based content (KidWind) combined with practical classroom activities, will make it easy to bring renewable energy to your classroom. No previous experience necessary!**

**Register for the workshop here:**  
<https://tinyurl.com/5n6dhpmt>

**Light breakfast and lunch will be provided. There will be a raffle with door prizes at the end. Teachers will get to take home a starter kit**
