

CHILDREN'S BEHAVIORAL HEALTH CONFERENCE

June 8-26

ODMHSAS Virtual Conference

CONFERENCE OVERVIEW

The 2020 Children's Behavioral Health Conference for the first time ever will be held in a virtual setting. ODMHSAS strives to bring together local, state and national leaders to discuss best practices in the areas of behavioral health and substance use disorder treatment, recovery and overall wellness by offering the conference online. This three-day event is expanding by offering not only three days of live online sessions but more than 50 prerecorded sessions that you will be able to access throughout the duration of this event. Participants will be provided with practical tools they can utilize in their agencies and communities to assist with facilitating treatment, recovery and wellness. The pre-recorded sessions will be available June 8th while the live portion of the conference will kick off June 10th – 12th. All sessions available to be recorded, will be available through June 26th. Note not all sessions will be recorded; some sessions will only be available during the live broadcast and are noted below.

The goal of the conference is to improve knowledge of behavioral health and wellness and to expand the possibilities of hope, recovery, and resilience for infants, children, youth and young adults.

Who should attend? Those who work with children, youth, young adults and families will benefit from attending this conference. The conference will focus on the concerns of families, youth, behavioral health workers, counselors, school counselors, educators, child welfare professionals, juvenile justice professionals, social workers, foster care providers, direct care providers, physicians, psychologists, healthcare professionals, public health workers, administrators, faith-based organizations, law enforcement and members of the judicial system.

CALL FOR EXHIBITORS

Is your organization one you want others to know about? An exhibit at the Children's Behavioral Health Conference will introduce your organization to behavioral health treatment professionals from Oklahoma and surrounding states. To discuss becoming an exhibitor, call or email Jessup Thomas at ODMHSAS Training Institute (phone) 405-248-9191, (email) Jessup.Thomas@odmhsas.org.

REGISTRATION AND FEES

Please complete your electronic registration in order to receive entrance to the 2020 Virtual Children's Behavioral Health Conference. The set rate of \$180 will give participants full access to the live broadcasts and prerecorded sessions. We will not offer any discounts for this conference due to the online platform and the 3 weeks it will be available.
