

Zero Suicide SUMMIT

HOSTED BY  OKLAHOMA
Mental Health &
Substance Abuse

APRIL 30, 2021

<p>8:45—9:00 am</p> <p>https://zoom.us/j/92050200166</p>	<p>Welcome by Commissioner Carrie Slatton-Hodges</p>
<p>9:00—10:15 am</p> <p>(Use the welcome link above for this session)</p>	<p>Dese'Rae L. Stage & Diana Cortez Yanez</p> <p>Dese'Rae L. Stage will present her "Live Through This" Project. Dese'Rae has been building this body of work for over a decade. She collected stories from suicide attempt survivors with a wide range of experiences and documented in a way to honor each one's authenticity. She will be joined by Diana Cortez Yanez who is a survivor of five suicide attempts and hospitalizations. Diana experienced services in the behavioral health system for 30 years. She is now a lived experience consultant who has shared her story internationally and in many different forums, including the White House. Her passion is sharing what helped her and what did not help her, in order to help save lives.</p>
<p>10:15—10:30 am</p>	<p>BREAK</p>
<p>10:30—12:30 pm</p> <p>https://zoom.us/j/95097309685</p>	<p>Dr. David Jobes, E. David Klonsky, Ph.D, Paul Williams, LPC, DBTC, & Diana Cortez Yanez</p> <p>Dr. David Jobes will kick off this plenary with a brief overview, and will introduce Dr. E. David Klonsky, Ph.D, a Professor of Psychology at the University of British Columbia. Dr. Klonsky will present research on reasons people move from ideation to action toward suicide. Dr. Jobes will discuss the importance of pairing DBT with CAMS for clients with recurrent suicidality, such as those with borderline personality disorder, and share an exciting new study of CAMs effective that is about to be published. Next, Paul Williams, LPC, DBTC, will present a case study utilizing DBT. Diana Cortez Yanez will share her experience participating in DBT treatment after five suicide attempts. Dr. Jobes will facilitate the wrap-up of the session with questions and discussion, if time permits.</p>
<p>12:30—1:00 pm</p>	<p>BREAK FOR LUNCH</p>
<p>1:00—3:00 pm</p> <p>https://zoom.us/j/91338810911</p>	<p>Group A Primary Care Providers</p> <p>In her afternoon session, Dr. Shannon Dial will discuss the Zero Suicide model within health care settings. She will share key elements of success in embedding Zero Suicide in the emergency department, primary care, and all other clinical settings throughout the Chickasaw Nation health system.</p> <p>Consider attending (or sending a particular staff) if any of the following apply: 1) you are a primary care provider, with or without a current SBIRT-OK or Do No Harm quality improvement project: You work at a CMHC/CCBHC, but in a primary care clinic; 2) You are a liaison/CM/specialist in your agency who works a lot with primary care clinics, in order to integrate care.</p>

Zero Suicide SUMMIT

HOSTED BY  OKLAHOMA
Mental Health &
Substance Abuse

APRIL 30, 2021

<p>1:00—3:00 pm</p> <p>https://zoom.us/j/98791284186</p>	<p>Group B</p> <p>Taking Oklahoma Zero Suicide Initiative to the Next Level: This session will focus on the updated Zero Suicide Protocol for CMHCs and CCBHCs. Best practices in Caring Connections within a Suicide Care Pathway will be the focal point. We are taking Caring Connections to the next level!</p> <p>Consider attending this session (or sending a particular staff member) if any of the following apply: 1) you are a part of the Zero Suicide Initiative implementation team at your agency; 2) you are a part of the state Zero Suicide Initiative workgroup; 3) you are a peer recovery support specialist or a case manager; 4) you work as a family support provider or 5) you work in a Crisis Center, you work in a CMHC inpatient unit, or you work in a state-run Psychiatric Hospital. Caring Connections is for you!!</p> <p><i>PS: As a PRSS or CM, you can be the IDEAL Caring Connections staff member!</i></p>
<p>1:00—3:00 pm</p> <p>https://zoom.us/j/96996016363</p>	<p>Group C</p> <p>Zero Suicide and Substance Use Disorders – Planning Your Own Zero Suicide Initiative</p> <p>Teresa Stephenson will walk this group through: the impact of SUDs on Suicide risk; the basics of the National Zero Suicide Initiative; The CMHC’s development of shared protocols for suicide risk identification and treatment; and, she will offer the opportunity to join a learning community for those wanting to develop their own agency protocol.</p> <p>Consider attending (or sending a particular staff) if any of the following apply: 1) you specialize working with SUD disorders; 2) you work in a SUD Treatment Agency; or, 3) you work in a program that is primarily treating SUD, such as a residential treatment center, as a SUD specialist on a PACT team, or a MAT clinic.</p>
<p>1:00—3:00 pm</p> <p>https://zoom.us/j/98345920132</p> <p>Total of 5.25 CEU’s offered for the day.</p>	<p>Group D</p> <p>Dr. David Jobes – Overview of Zero Suicide Initiative, with a Focus on Treatment</p> <p>Attendees will gain knowledge of the National Zero Suicide Initiative, with a treatment focus.</p> <p>Dr. Jobes, from the start, has been an integral part of the National Zero Suicide movement. Suicide Prevention has been his heart for 38 years, and he has channeled this passion into his development of the evidence based framework called Collaborative Assessment and Management of Suicidality (CAMS).</p> <p>Consider attending (or sending a particular staff) if any of the following apply: 1) you are new to your agency; 2) you are new to the Zero Suicide Initiative; 3) you are an LBHP and want to learn more about EBP practices for treatment of suicidality; or 4) you need inspiration to understand the importance of this initiative.</p>
