

Pursuant to the authority vested in me by Section 11 of Article VI of the Oklahoma Constitution, I have vetoed Enrolled House Bill 4032.

House Bill 4032 would raise the mineral production fees for noncoal mining operations in the state. Throughout my time as Governor, I have consistently opposed fee increases that place additional administrative costs on Oklahoma businesses and taxpayers. This veto reaffirms my commitment to lowering operational costs, reducing administrative burdens, and achieving a smaller, more accountable government.

For these reasons, I have vetoed Enrolled House Bill 4032.
