Objectives:

- To better inform the medical community regarding COVID-19 and how Oklahoma is taking charge of this pandemic; and
- Help provide information the physicians can relay to their patients regarding testing and the spread of this virus; and
- Inform providers about current evidence regarding the use of HydroxyChloroquine and Azithromycin to treat the COVID-19; and
- Explain how the public can get involved and play a role in staying safe and keeping protected.

Accreditation Statement:

This activity is planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Oklahoma State Medical Association (OSMA) and the Physicians Liability Insurance Company (PLICO). The Oklahoma State Medical Association (OSMA) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The OSMA designates this live activity for a maximum of 1 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

"The Oklahoma State Medical Association has been surveyed by the Accreditation Council for Continuing Medical Education (ACCME) and awarded Accreditation with Commendation for six years as a provider of continuing medical education for physicians. The ACCME accreditation seeks to assure the medical community and the public that the Oklahoma State Medical Association provides physicians with relevant, effective, practice-based continuing medical education that supports US health care quality improvements. The ACCME employs a rigorous, multilevel process for evaluating institutions' continuing medical education programs according to the high accreditation standards adopted by all seven ACCME member organizations. These organizations of medicine in the US are the American Board of Medical Specialties, the American Hospital Association, the American Medical Association, the Association for Hospital Medical Education, the Association of American Medical Colleges, the Council of Medical Specialty Societies, and the Federation of State Medical Boards of the US, Inc."
