LEADERSHIP

## VISION

Oklahoma teachers empowered to lead the state in math and science education.

## MISSION

To create and support a dynamic network of Oklahoma Math and Science educators whose increased awareness and commitment to service will energize Oklahomans to shape Oklahoma's future in mathematics and science education.

OKMath and OKSci Leadership is a statewide leadership program that selects, challenges, develops and educates Oklahoma math and science educators who have demonstrated an interest in leadership skills related to mathematics and science education.

## SELECTION

Participants are selected based on ability, demonstrated leadership, interest in their community and insight for effective leadership. Applicants must teach or co-teach in a mathematics or science classroom for at least one course during their application year and participation year. The application process is designed to ensure a class that consists of members from diverse backgrounds, experiences and geographic locations. Approximately 60 participants are chosen annually.

## COMMITMENT

The course consists of virtual sessions and four two-day retreat sessions that participants are required to attend. As with all worthwhile endeavors, this program requires a definite commitment of time on the part of each participant. Spouses are not included in meetings or overnight sessions.

Attendance is required for successful completion of the program. Absence from more than one full session (or the accumulation of partial sessions that equals one full session) will make the participant ineligible to graduate. Required Program Session Dates for 2013-2014.

- Virtual Meetings — To be announced
- Alpha Meeting (Vision 2020) — July 9-10, 2013
- Beta Meeting — October 11-12, 2013
- Gamma Meeting — January 24-25, 2014
- Delta Meeting — May 30-31, 2014

## APPLICATION DUE

The application is online at [www.surveymonkey.com/s/okmath\\_oksci](http://www.surveymonkey.com/s/okmath_oksci).

Submit your application by **June 28, 2013** by 5:00 p.m.

Applications received after June 28 at 5:00 p.m. will not be accepted.

## APPLICATION PROCESS

In order to be considered for selection to the 2013-2014 OKMath/OKSci Leadership class, applicants must complete all items listed in this form. Please review carefully for any omissions before submitting. All applications are considered confidential and will be used only for the purpose of the selection process.

Due to the size restrictions of each year's class and the need for diversity in the class composition, many qualified candidates will not be chosen. However, individuals not selected are encouraged to reapply.

## TUITION

Since this will be the pilot year of OKMath/OKSci Leadership, tuition will be waived and housing will be provided to selected participants for the four mandatory meetings. Breakfast and lunch will also be provided as part of the waived tuition. Travel to the four meetings will be the responsibility of the participants or the participant's school.
