

Part C to Part B Regional Transition Trainings

OSDE-SES in partnership with SoonerStart will be hosting regional transitional trainings in October and November. These training opportunities will be centered on effectively transitioning students (and families) from an early intervention program under Part C to their next program. The goal of the training is to help Part C and Part B programs develop collaborative State and local practices to ensure smooth transitions for children (and families) and to ensure programs meet federal compliance.

Dates, Locations, Times

All transition trainings are from 9:30am to 12:00pm. Specific dates and locations for each regional training are below.
