

SAVE THE DATE

The Oklahoma State Department of Education (OSDE) and the Center for Technical Assistance for Excellence in Special Education (TAESE) present the

New LEA Directors Webinar Series

This webinar series will provide opportunities throughout the school year for new special education directors and other district program staff to receive information on important topics to help new directors understand the federal and state context of various requirements under the IDEA.

TAESE will provide a federal perspective, discuss the connection between the Office of Special Education Programs (OSEP) and the state, while the OSDE will provide a state perspective and discuss the connection between the state and school districts.

Registration links will be provided prior to the date. All webinars will be recorded and posted to [OSDE's Special Education page](https://sde.ok.gov/special-education) (sde.ok.gov/special-education).

All webinars will be from 3-4:30 PM CT on the scheduled date.
