

## Special Education Services

# 2021 "End of Year" Data Collection Training

### ONLINE OVERVIEW

EOY Reporting Webinar for Special Education Directors

*Review critical information about EOY reporting for special education.*

A 2-hour session was recorded and posted to the [OSDE Special Education EOY Data page](#) to view at your convenience, along with a copy of the slides.

### OPEN DOOR ASSISTANCE

"Open door" sessions for individual, specialized assistance will be held online again this year on May 12 and 19, morning only. These are "come and go" events. We will have breakout rooms for questions about specific records, while general information can be reviewed in the main room. You will not sign up for a specific time, but will be assisted in the order you join the session. Last year, the second and third hours were the best for receiving quick assistance.
