Join us for an engaging, informational session on how districts can be proactive in preparing for the interruption in learning that occurred during COVID-19 using an equity based MTSS framework. A demonstration of EDPlan Identify & Intervene - an early warning & intervention management system designed to support and accelerate MTSS implementations - will also be provided.

Presented by: Mollye Kiss, Senior Consultant, Public Consulting Group. Mollye is the national lead for EDPlan Identify & Intervene (MTSS) solutions.
