OPEN DOOR ASSISTANCE

“Open door” sessions for specialized child count assistance will be held online this year. We will **host come-and-go zoom meetings** with breakout rooms to manage individual student questions.

You may join the meeting at any time during the allotted hours. Depending on the nature of your question and the number of participants when you join, you may have to wait some period of time to resolve individual questions. You are welcome to contact a member of the data team at any other time, too.

Registration will open in a few weeks.

IN-PERSON?

No in-person training will occur this fall.

QUESTIONS?

Call 405-521-3551 and ask for a member of the data team, or email any of us for assistance.
