

STEPPING-UP TRANSITION: USING ASSESSMENT RESULTS TO ENSURE QUALITY AND COMPLIANT TRANSITION PLANS

Participants in this session will learn how to create compliant and quality transition plans for students with mild to moderate disabilities in EdPlan. Examples of compliant and quality postsecondary goals, annual transition goals, and transition services are provided. Also, strategies for creating quality transition plans.

Fall 2021

STUDENT INVOLVEMENT IN THE IEP

Effective techniques to increase student involvement in the IEP. The presentation will focus on providing reasoning for active student involvement in the IEP process and increasing self-determination skills for youth with disabilities (late elementary through high school).

We will provide free resources, curriculums, and instructional materials to assist.
