

*"What you aim at determines what you see."
— Jordan Peterson*

SCHEDULING AUDIOLOGICAL SERVICES FOR 2022-23

3% of your student population should be identified with hearing loss.

HOW DOES YOUR DISTRICT HEAR ?

Soundwrx is a nonprofit organization whose executive director, Dr. Jacqueline Scholl, is an audiologist and mother of a deaf daughter. After selling her award-winning speech & hearing clinic several years ago, Dr. Scholl organized Soundwrx to identify children in the state with auditory pathway disorders.

- ♥ Best practice hearing screening programs designed to identify children with auditory pathway disorders
- ♥ Onsite audiological testing & case management
- ♥ Aural rehabilitation
- ♥ Collaboration with families, schools, primary care physicians, and state agencies
- ♥ Recommendations & resources
- ♥ Support with IEP & assistive technology
