Camps in 2022, June & July!

Dates: To Be Announced As Secured.

The DRS STEM Camp is a no cost three-day in person camp. Lunch is provided.

Times: 9:00 a.m. to 3:00 p.m. Daily

Registration Link: will be posted at a later date.

NEXT STEPS: We need partners and locations to hold the local camps. In the past DRS, and Tech-Now Inc. have partnered with school districts and churches to offer the STEM Camps locally. We would love to work with you to hold a camp in your area. There is a limited number of camps each year, so it is imperative to secure your camp dates early.

Who? Open to all Oklahoma students with disabilities, ages 14-19 (i.e., on an IEP, 504 Plan, or other documented physical, mental, or cognitive disabilities). Parents, guardians, and siblings are encouraged to support this learning experience by helping if needed, or wanted.

What: Learn to use computers, software, and related technologies to design and create:

- Power Racer Dragster – Powered HT Racer – Full Color Patches for caps, jackets, and pants – Bracelet – T-Shirt – Mouse Pad – Pin Back Buttons – And More!

Learn about costs associated with manufacturing products, and how companies price products to make a profit to stay in business.

You will create all of this using a computer, printer, and related technologies! **Most importantly, you will develop technology skills that will last a lifetime!**

The DRS Logo

A five-sided star with colored chevrons around the sides, with each chevron made up of three shades of the colors dark blue, blue, green, red, and orange. The star is white and to the right side are the words Oklahoma Rehabilitation Services.

The STEM Camp LOGO.

The logo is comprised of a green S, an orange T, a magenta E, and a blue M, and the word camp in yellow letters at an angle across the right, bottom corner of the M.

The word technology in the color green.

The word design in the color orange.

The words product development in the color orange.

The word engineering in the color magenta.

A picture of four bracelets that are stacked upon one another. The bottom bracelet is black with DRS Stem Camp in the center with an image of a green HT Racer to the left and a blue racer to the right. Stacked on the left and right are two bracelets. A blue and pink heart covered bracelet with the DRS Logo, and a yellow and burgundy bracelet with a knight logo with the words Classen Knights.

The HT Racers Logo

The letters HT in neon green with the word Racers in bright yellow next to the HT. The word Gravity at a slight angle over the HT letters and in small letters along the top of the word Racers are the words Creativity In Motion.

An HT Racer Military Vehicle

A magenta-colored racer. Designed on the computer, printed, and assembled. The Racer is approximately 2.5 inches by 3.75 inches. It has the DRS, STEM Camp, and U Make This Stuff logos. The racer has a thin lime green double stripe that runs the length of the vehicle with a darker magenta alligator texture.

Power Racer Logo

The capital letters P & R that are stylized with gear teeth with the words Power Racer overlapping the P & R.

A Power Racer

A blue colored racer. Designed on the computer, printed, and assembled using 3d printed parts and the color printed racer body. The Racer is approximately 3.25 inches by 6 inches. It has the U Make This Stuff logo. The racer has a thin blue stripe on the sides that runs the length of the vehicle and blue flames on the hood.

Mr. X Logo

A red circular ring with the text Presidential Award-Winning Teacher, Inventor, and Reality Show Personality following around the circle. Mr. X is in large blue text with the last name DeRennaux, inserted on, and in alignment of the slash mark of the x. There are three gears inlaid on a yellow circle within the red ring.

Tech-Now Logo

A rainbow of colors surrounds a shape of the state of Oklahoma, with the words Tech-Now Inc. in black letters on the Oklahoma State shape.

The U Make This Stuff Logo

A large red uppercase U with the words Make This Stuff in black in front of the large U.
