

OSDE Connect – How To

Follow these instructions for setting up an account so you can gain knowledge and training in areas you may lack in or would like a refresher.

Step 1

Go to the OSDE Connect Website: <https://osdeconnect.pdx.catalog.canvaslms.com/>

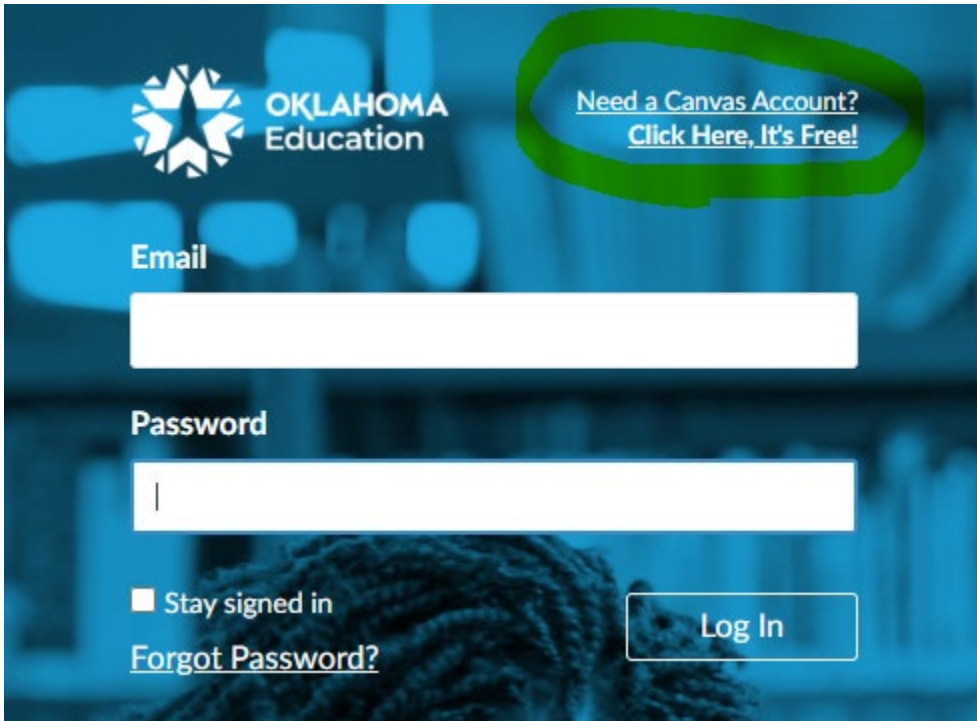

Step 2

Click on the Login option on the top right

Step 3

Choose on the Click Here, It's Free option at the top right

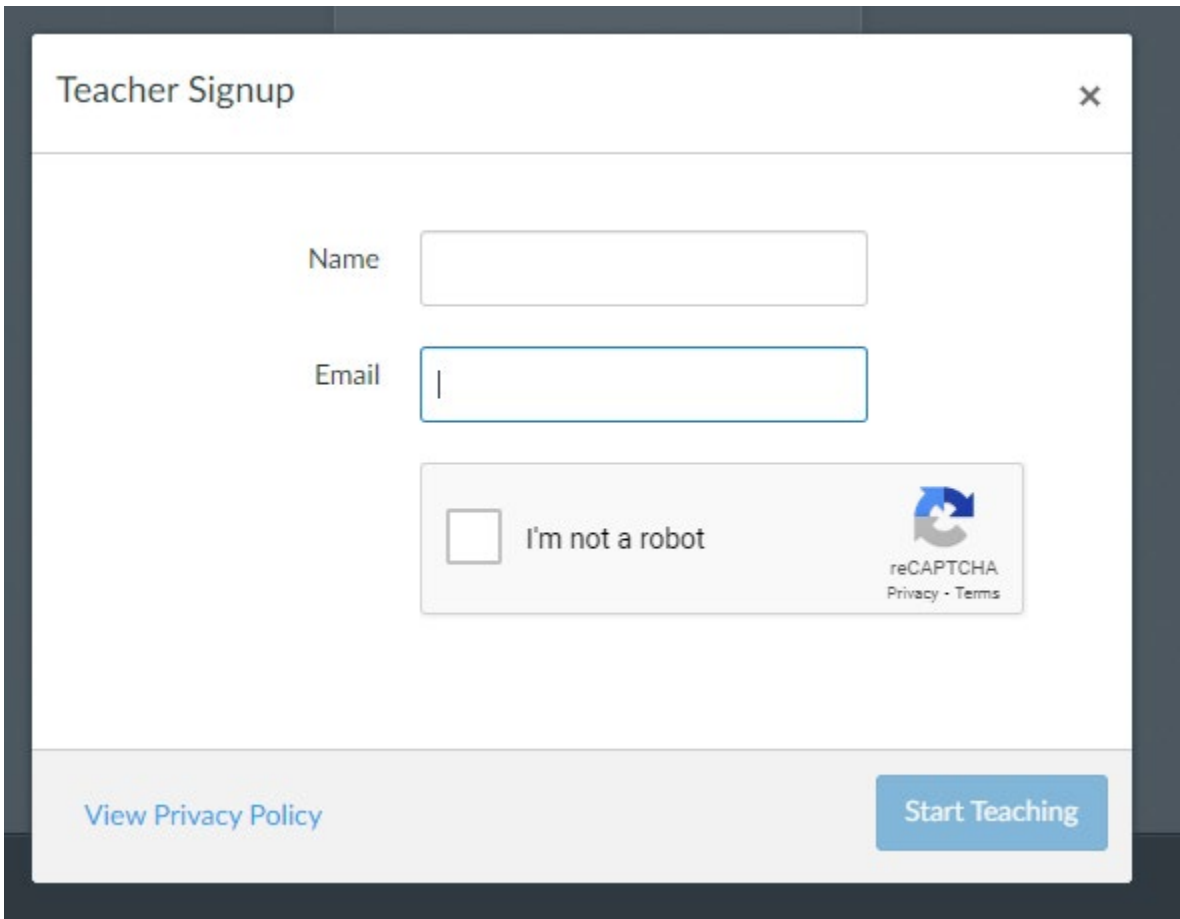

Step 4

Choose the green, I'm A Teacher option

Step 5

Follow the prompt in creating your account.

The image shows a 'Teacher Signup' form with the following elements:

- Title: Teacher Signup (with a close button 'x')
- Name: A text input field.
- Email: A text input field with a cursor.
- reCAPTCHA: A checkbox labeled 'I'm not a robot' next to the reCAPTCHA logo and 'reCAPTCHA Privacy - Terms' link.
- Footer: A link for 'View Privacy Policy' and a blue button labeled 'Start Teaching'.

Once your account is created and you have gone into your email and verified your account-

- Follow the link in the email to set up a password.

Step 6

Once step 5 is complete, see step 1 and use the link for the catalog to find the module and trainings you would like to find.
