

# Supporting Students with Behavioral and Emotional Difficulties Training

March 31st, 2023 - High Plains Technology Center, 3921 34th St, Woodward, OK 73801

---

## TRAINING OVERVIEW

Feel like you have tried everything to change your student or child's behavior? Frustrated with their difficulty in learning academic content because they struggle to regulate their behavior and emotions?

Come learn about the science of behavior and how it links to a comprehensive toolbox of strategies for supporting student behaviors. Participants will leave with a deeper understanding of how student behavior works, as well as practical solutions to PREVENT inappropriate behaviors, TEACH and REINFORCE appropriate behaviors, and RESPOND to inappropriate behaviors.

## PRESENTERS

**Dr. Sara Rich** and **Dr. Brit'ny Stein** are both Licensed Health Service Psychologists and Nationally Certified School Psychologists who work at the OSU Behavioral Medicine Clinic conducting neuropsychological evaluations for children and adolescents. Both trainers have extensive experience providing supervision to graduate students, direct assessment and intervention services to children, and consultation to rural, urban, suburban, and residential treatment day schools. They have worked on several state and federally-funded grants to implement MTSS and improve school climate in schools, including partnering with the Oklahoma State Department of Education's School Climate Transformation Grant. They are passionate about supporting schools in the implementation of evidence-based practices for supporting mental health, behavioral, and academic outcomes for students. Dr. Rich serves as Co-Director of the OSU BRIDGE Center (Building Resources and Interventions for Districts Seeking Growth in Education), and Dr. Stein serves as the center's Director of Technical Assistance.

**Dr. Gary Duhon** is a School Psychologist and Board Certified Behavior Analyst. He has consulted both nationally and locally with Oklahoma Schools on MTSS for over 20 years, and has trained numerous school psychologists who work in schools and clinical settings across Oklahoma. Additionally, he has collaborated with the Oklahoma State Department of Education in both a consultant and evaluator role for multiple grants related to school climate, special education, and tiered systems of support with the Oklahoma State Department of Education. He is a Professor of School Psychology at OSU Stillwater, serving as program coordinator and conducting research on academic and behavioral interventions. Dr. Duhon serves as Co-Director of the OSU BRIDGE Center.

## ATTENDEE AGENDA

Time	Min	Topic
8:30 - 8:35	5 Min	<b>Welcome</b>
8:35 - 9:05	30 Min	<b>THINKING FUNCTIONALLY</b> ABC Logic and the Basics of Consequences Linking Behavior Science to Intervention Planning
9:05 - 10:00	55 Min	<b>PREVENT</b> Why Focus on Prevention? Overview of Prevention Strategies
Break (10:00 - 11:30)		
9:15 - 10:00	45 Min	<b>PREVENT continued...</b> Overview of Prevention Strategies continued... Power of Noncontingent Reinforcement
		<b>TEACH</b> Why Teach Appropriate Behaviors and SEL? Skill versus Performance Deficit? Formal and Informal Teaching of Behavior
Lunch (11:30 - 12:30)		
12:30 - 1:15	45 Min	<b>REINFORCE</b> Why Reinforce Appropriate Behaviors? Behavior Specific Praise Group Contingencies & Troubleshooting Reinforcement
1:15 - 2:00	45 Min	<b>RESPOND</b> Troubleshooting Response Strategies Effective Directions, Redirections, and Warnings De-escalation
2:00 - 2:30	30 Min	<b>HOME-SCHOOL-COMMUNITY COLLABORATION</b> Working Together to Support Students
		<b>WRAP-UP</b> Questions/Debrief Evaluation of Training
