

Tech-Now State Competition

For 23 years, Tech-Now, Inc. and their partners have supported students with disabilities in developing skills needed for positive employment outcomes through computer applications instruction, and more. Tech-Now's activities, programs, and their annual State Competition event have a strong connection to IDEA Secondary Transition, including transition-related Indicators 1, 2, 13 & 14, Transition Planning/Services, many of the required components of a student's IEP Transition Plan, and even ICAP activities/requirements. The Pre-ETS components of Job Exploration, Work-Based Learning, Workplace Readiness, Self-Advocacy, and indirect Post-Secondary Counseling are also addressed through Tech-Now.

The annual Tech-Now State Competition event will be held on **April 26, 2023**, from **10:00 AM - 2:00 PM** located at **Southmoore High School Gym in Moore, OK**. Enter through flagged doors on the south side of campus.

Wristbands will be available at the entrance to the gym. Tech-Now students **must** wear the event wristband around their wrists to receive awards and/ or door prizes. All event attendees must always wear the event wristband.
