

Professional Development Bonus for SY 2022-2023

Districts may now submit 2022-2023 school year professional development documentation related to special education. The PD bonus points will appear on the annual Determination report to be released November 2023. A district may earn one bonus point for each professional development (up to two). To access the professional development bonus survey, go to EdPlan>Tools>LEA Document Library>PD Bonus. Complete the survey form and upload with the professional development documentation (agenda and sign-in sheet). Instructions to upload documentation are also located under the PD Bonus tab.

Professional development must meet the following criteria:

- Must have 3 hours on the **same** topic.
- Can be divided into shorter time segments
- Must include general education and special education teachers.
- Topics related to special education only (no general district training)
- Documentation required includes topic, agenda with date and times, and dated sign-in sheet.

Districts assigned "level 2, 3, or 4" DMR support through the differentiated monitoring process will automatically receive bonus point credit for completion of monitoring requirements.

Email Cheryl.Revolinski@sde.ok.gov or Felica.Denton@sde.ok.gov when submission is ready for review or if you have questions. The deadline for submissions is September 29, 2023.
