

Single Sign On (SSO) Password Reset

Overview

Oklahoma State Department of Education (OSDE) Single Sign On (SSO) is the account management system used by educators, school district personnel and SDE administrators.

This guide explains how users can reset their passwords.

Steps

Step 1: Go to <https://sdeweb01.sde.ok.gov/>, enter your SSO username and password, and click on “Sign In”.

This screenshot shows the login page for the Oklahoma State Department of Education's Single Sign On system. The header includes the "OKLAHOMA State Department of Education" logo on the left and a "Single Sign On" link on the right. A left-hand navigation menu lists: "Home / Applications", "About This Site", "Links And Docs", and "Sign In". The main content area contains a welcome message, a warning about account recovery, and a login form with fields for "Username:" and "Password:", followed by a "Sign In" button. Below the login form are links for new users and password recovery: "Are you a New User? Click here to create an account.", "Username problems? Click here to recover your username.", and "Password problems? Click here to recover your password."

Step 2: The Home Page will appear. To change your password, select “Your Account” from the menu.

This screenshot shows the "Home / Applications" page after a successful login. The header is identical to the previous page. The left-hand navigation menu now includes an additional option, "Your Account", which is highlighted with a red box and a red arrow pointing to it. The main content area is titled "Home / Applications" and "These are your current applications", and it contains several empty rectangular boxes for displaying application information.

Step 3: Click on “Change Password” to reset your password.

Home / Applications Your Account Home > Your Account

Don't get locked out of your account! Please add another email to make sure you can always recover your password.
