

Directors Video Calls

We are looking forward to improving outcomes for students with disabilities with you in the coming year. To this end, The Office of Special Education Services will be hosting a series of video calls with directors across the state to better communicate our activities and initiatives. Directors are invited to join calls on the second Monday of each month from 3:00-3:30 for an update from Program Director, Sherri Coats, and on the fourth Monday of each month from 3:00-4:00 for a deeper dive into specific initiatives and special education topics presented by SES staff.
