

# Behavioral Science for Teachers (BeST) Training

**OSDE-Special Education Services is pleased to announce its partnership with Dr. Scott Singleton, to provide behavioral science training to district staff to increase its capacity in addressing significant student behavior.**

Dr. Scott Singleton BCBA-D, NCSP has worked in the behavioral science and education field for over 20 years. He has served as a school psychologist in multiple states, the response to intervention coordinator for a large urban school district, clinical director for a school for children with developmental disabilities and is currently a professor of psychology at the University of Central Oklahoma where he oversees Behavior Central, a center for teacher training and behavioral consultation, and the master's program in behavior analysis.

## Team Training:

Participation **requires a district team including a minimum of two district personnel with a maximum of four district personnel.** Enlisted team members are required to attend *both* days of training.

## Registration:

**Registration is free.** Hotel and travel expenses are available for reimbursement to districts through Project 613.

Questions about Project 613 can be directed to [Abby.Johnson@sde.ok.gov](mailto:Abby.Johnson@sde.ok.gov)

## Locations & Dates:

- **Oklahoma City, July 15, and July 16, 2024**
- **Sapulpa, July 17, and July 18, 2024**
- **Woodward, July 23, and July 24, 2024**

The exact locations are to be determined.

## Application:

Through a rubric application, preference will be given to districts that have limited trained personnel and capacity to address significant student behavioral issues. **Complete** the [rubric application](#) no later than Monday, June 24, 2024. Team applicants will be notified by Friday, June 28, 2024, if they are selected to participate in the training.
