

We are TheraPeds

A Colorado-based, therapist-owned agency. With over 25 years of experience in schools, we know firsthand the demands of working in the educational system and the need for qualified contract staff. We support schools & their special education teams by hiring qualified therapists and educators for in-person and virtual services.

In-Person Support

Our staff provides contract services on a short and long term basis to support your special education needs and be a contributing member to your team.

Virtual Support

Remote providers work with students in a one-on-one or small group settings, to meet their IEP services. Through telehealth, we are able to provide comprehensive evaluations, fun and engaging student services, collaborate with staff, observe and support students, consult with teams, and attend IEP meetings. Online therapy services have been shown to be as effective as face-to-face in a variety of settings with a variety of disabilities.

We staff:

SLPs and SLPAs

OTs and COTAs

Psychologists and Social Workers

SPED Teachers

DHH and ASL Teachers

Blind/VI Teachers

and more, both in-person and virtual

DISTRICT PARTNERS

At TheraPeds, we take great care to get to know our staff and school districts. We believe in hiring and supporting qualified SPED providers & have a hands-on approach to ensure that everyone involved feels supported and successful.

Please let us know if you have any current or anticipated staffing needs, would like to request a written proposal or have questions about our services. We have contacts and resources in your state and would be happy to reach out to our network of educators.
