IEP – Educational Needs

The educational need area of Social/Emotional Behavior has been removed. Areas of Emotional Behavior (self-regulating), Social Behavior, and Transportation have been added.

Identify the educational needs resulting from the child's disability, which may require special education, related services, supplementary aids, supports for personnel, or modifications.

504 Translation

Translation for 504 documents functions in the same way as translation for special education documents. The student's document language must be selected on the Personal page. This will trigger a check box to include a translated version of the document when the document is being created. 504 documents available for translation are:

- 504 Review of Existing Data/Parent Consent

- 504 Eligibility Report
- 504 Information and Procedural Safeguards
- 504 Written Notice
- 504 Invitation to Meeting
- 504 Student Plan

504 Plan Agreement

Current functionality: Invited to Meeting, and Plan Agreement cannot be null

New functionality: changed Invited to Meeting to Attended Meeting. If attended meeting is Yes, plan agreement cannot be null. Plan agreement is not required for team members who did not attend the meeting.

Meeting Participants

i Check "attended meeting" box for every participant in order for name lines to appear on service plan document. Click "add participant" and click "attended meeting" or blank lines to appear on document. Note: If generic users are selected as Committee Members on the 504 Committee page, specify the individual's name in the "Title" column below.
