

Connect 2 Business

Connecting Education & Economic Development

Connect 2 Business (C2B) links all students with businesses across all of Oklahoma.

BUILD AWARENESS

Users create a custom business profile to highlight key details about their business to engage users.

DRIVE ENGAGEMENT

Business users post opportunities, including internships, part-time jobs, and more. They can also track views and interest.

STRENGTHEN CONNECTIONS

Schools, workforce agencies, and businesses connect to create a strong talent pipeline from education to employment.

Kuder Connect 2 Business® (C2B) is an online platform creating awareness and building relationships between individuals and businesses by sharing work-based learning and fill openings ranging from internships and apprenticeships to part-time jobs and beyond while supporting students' Individual Career and Academic Plan requirements.
