Oklahoma State Department of Education Special Education Services is partnering with LRP Publications to bring expertly designed professional development through **DirectSTEP® eCourses** at no cost!

The goal of OSDE-SES is to provide tailored professional development to all support personnel who serve students with disabilities and assist with improving student outcomes. The office of Special Education Services is providing access to LRP Publications' **DirectSTEP® e-Learning** courses at no cost to the participants or the Local Education Agency.

With each **eCourse** you will:

- Receive quality training developed by special education experts
- Participate in self-paced instruction for comprehension and retention
- Select eCourses based on participants individual training needs and interests
- Engage in learning through quizzes and activities
