

How to Turn On User Default Order Notifications:

1: Login to OSIIS

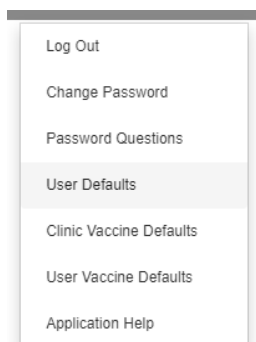

The image shows the login page for the Oklahoma State Immunization Information System (OSIIS). At the top, there is a logo with colorful human figures and the text "OSIIS IMMUNIZE! SAVE LIVES" and "Oklahoma State Immunization Information System". Below the logo is a "Login" section with two input fields: "Username" and "Password". There is a "Forgot Password?" link and a green "Login" button. Below the login fields, there is a "Trouble Logging in?" link and a "Request User Account" link. A "NOTICE" paragraph follows, and at the bottom, there is a version number: "Version 21.1.0.0 Copyright © 2001-2021 Envision Technology Partners Inc."

2. Once logged in on the top right of your screen you will see your name:

3. Click on the down arrow next to your name and then click User Defaults

4. Scroll to the very bottom of the page where you should see this list of notification:

Notifications - Click on the checkboxes below to turn on/off email notifications.
