

# You've gone paperless!

Your vehicle now has an electronic title. A printed title will not be automatically issued to you or your lienholder. Scan the QR code and follow the steps below to learn more about buying, selling or transferring a vehicle with an electronic title.

## 1 Create a customer account

- Go to **OkCARS.service.ok.gov** and scroll to the **Individuals/Business** section.
- Click on **Create Login** and follow prompts.

## 2 Associate your vehicle to your account

- Click the **More** tab. Under **Manage Associations**, click **Associate Vehicle** and follow the prompts.

## 3 View confirmation of your title

- In **OkCARS**, click the name of your vehicle.
- Click the **More** tab. Under **Electronic Title & Registration** Request, click **View Title Information**.

### Want a paper title?

**New!** If your vehicle has no lien, you may request a printed title at any time—this may be required if you're moving or selling your vehicle out of state. If a lien exists, the printed title will be sent directly to your lienholder.

- Visit a licensed operator (tag agent) to complete a Title Print Request Form, or submit your request through your OkCARS account.
