Enrolled House Bill 2240 (2013 Legislative Session) Documents are available until January 31, 2014, from The Office of Private Health Partnerships, 250 Church St SE Ste 200, Salem, OR 97301 and online at: <https://olis.leg.state.or.us/liz/2013R1/Measures/Text/HB2240/Enrolled>, http://www.oregonlegislature.gov/bills_laws/lawsstatutes/2013orLaw0681.pdf

Fiscal and Economic Impact:

No fiscal or economic impact is projected. Closure of the OPHP division and the Family Health Insurance Assistance Program was approved by the legislature during the 2013 Session in HB 2240. Abolishment of the administrative rules governing operation of the division is necessary to accomplish legislative intent, and has no additional fiscal or economic impact beyond what was incorporated in the fiscal and economic impacts described HB 2240.

Statement of Cost of Compliance:

1. Impact on state agencies, units of local government and the public (ORS 183.335(2)(b)(E)):

Repealing these rules will have no fiscal impact on state agencies, units of local government and the public.

2. Cost of compliance effect on small business (ORS 183.336):

a. Estimate the number of small business and types of businesses and industries with small businesses subject to the rule:

None.

b. Projected reporting, recordkeeping and other administrative activities required for compliance, including costs of professional services:

Repealing these rules will not add additional reporting, record keeping, or other administrative activities required for compliance, including costs of professional services.

c. Equipment, supplies, labor and increased administration required for compliance:

Repealing these rules will not require any new equipment, supplies, labor, or increased administration for compliance.

How were small businesses involved in the development of this rule?

Because small businesses are not affected by the repeal of the rules, they were not involved in the development of the proposed rule repeal.

Administrative Rule Advisory Committee consulted?:No

If not, why?:

It was not deemed appropriate to consult an advisory committee because the proposed repeal of the rules is a consequence of recently enacted legislation.
