

# Lunch & Learn for Business

## Level up your digital accessibility game!

2026 ushers in digital accessibility guidelines for some businesses, but it's smart practice for all.

Join us as Assistive Technology Specialists from Oregon Commission for the Blind bring their expertise, and a bit of fun, as they break down what digital accessibility really means for people with low vision and blindness. Leave with bite-sized tips to increase your business's digital accessibility.

### Who:

Business owners, executives, HR teams, hiring and department managers, and all employees are welcome. Invite your colleagues!

### When:

Tuesday, April 21, 12 – 1 p.m. Pacific

### Where:

Online: [Register here](#)

The Lunch & Learn for Business series is dedicated to disability in the workplace. Disability touches employees, colleagues, job applicants, and customers alike. Join us to learn practices that can strengthen your organization.
