Weekly Construction Update: September 30-October 7, 2017*

**Schedules are subject to change due to weather and site conditions.*

The following highways have projects included in this week's construction report. Scroll down to see traffic impacts in the following order (interstate, U.S., and state highways).

Sat. 9/30	Sun. 10/1	Mon. 10/2	Tues. 10/3	Wed. 10/4	Thurs. 10/5	Fri. 10/6	Sat. 10/7
I-5: Ln closures near Marquam Bridge; ramp closures at I-84, Wheeler, Morrison Bridge							
I-84: Ln closures I-205 to I-5; traffic holds at MP 53							
I-205: Ln closures I-5 to Abernethy Bridge; 10 th Street ramp closures							
I-405: no traffic impacts							
US 26: Ln closures on 185th, Cornelius Pass, U.S. 26; Ln closures at North Plains; Ln closures Mt. Hood							
US 30: no traffic impacts							
OR 8: Ln closures TV HWY, Cornelius Pass Rd, at OR 47							
OR 10: no traffic impacts							
OR 43: no traffic impacts							
OR 99E: Night Ln closures w/ traffic shift							
OR 99W: no traffic impacts							
OR 213: Ln closures Southgate-King							
OR 217: no traffic impacts							
OR 281: no traffic impacts							

Schedules are subject to change due to weather and site conditions

Interstate 5 – Pacific Highway – Bridge Deck Rehabilitation (17T054760)

Project description: This project will repair and resurface two ramps at the I-5 Morrison Bridge interchange and over the Rose Quarter Transit Center, as well as install median barrier on I-5 from the Rose Quarter to north of the Hawthorne Bridge.

Traffic impacts: Periodic nighttime lane and ramp closures Saturday 9 p.m. to 8 a.m., Monday and Tuesday 9 p.m. to 5 a.m., Wednesday through Friday 10 p.m. to 5 a.m.

Periodic closures on I-5 in both directions (Broadway/Weidler to the East end of the Marquam Bridge) Monday through Friday. The ramp from I-84 westbound to I-5 Northbound and the Wheeler on-ramp to I-5 south will be periodically closed. The Morrison Bridge ramps to I-5 and Oregon City/OMSI will be closed Wednesday and Friday nights.

For more information: www.oregon.gov/odot/projects/pages/project-details.aspx?project=18564

Interstate 5 – Pacific Highway – Bridge deck seal maintenance

Project description: This project will install new bridge deck seals on 16 bridges along I-5. Each bridge has different work restrictions. Please visit the project website for full details.

Traffic impacts: Periodic nighttime and weekend lane, ramp and overcrossing closures along I-5.

Impacted ramps next week include the Nyberg Street ramps at Interstate 5 (Exit 289), Oregon 217/Kruse Way over Interstate 5, Brier Place over I-5, SW 19th Avenue over I-5, and Interstate 5 at Victory Boulevard.

For more information: <http://www.oregon.gov/odot/projects/pages/project-details.aspx?project=MBM17>

Interstate 84 – Banfield Expressway – Regional Connections Project (17T058969)

Project Description: This project is the next phase of ODOT RealTime, a system that provides real-time traffic information on roads to help travelers get where they're going more safely and efficiently. New electronic signs will be installed on U.S. 26 between I-405 and OR 217. During sign installations, there will be several full nighttime freeway closures. Work will be complete spring 2018.

Traffic Impacts: Double lane closures in both directions of I-84 (from I-5 to I-205) from 8 p.m. to 5:30 a.m. weekdays.

For more information: www.odotrealtime.org

Interstate 84 – Columbia River Highway – Wyeth to Lindsey Creek (17T070456)

Project Description: This project is constructing the next phase of the Historic Columbia River Highway State Trail. This segment will connect Wyeth Campgrounds to the State Trail at Lindsey Creek. Construction will occur through summer 2019.

Traffic Impacts: Starting Thursday, rock blasting will occur once a week. Expect up-to 30 minute traffic holds around 1 p.m. weekdays.

For more information: www.oregon.gov/ODOT/Regions/Pages/State-Trail.aspx

--more--

Interstate 205 – East Portland Freeway – I-5 to the Abernethy Bridge (17T065712)

Project description: This project will repave both directions of I-205 between the I-5 interchange in Tualatin and the south end of the Abernethy Bridge in West Linn.

Traffic impacts: Nighttime single lane closures in both directions. Ramps to/from 10th Street impacted.

Closures are from 10 p.m. to 5 a.m. Shoulder closures on 10th Street. The I-205 on- and off-ramps will be closed Friday and Saturday beginning at 9 p.m.

For more information: www.i205construction.org

U.S. 26 – Sunset Highway – NW Glencoe Road to Mile Post 53 (17T048454)

Project description: This project will repave both directions of U.S. 26 from NW Glencoe Road to milepost 53, including some ramps and resurfacing of four highway bridges. Rumble strips and cable median barrier will also be installed.

Traffic impacts: Periodic nighttime lane closures on U.S. 26 and daytime shoulder closures.

For more information: www.oregon.gov/odot/projects/pages/project-details.aspx?project=18777

U.S. 26 – Sunset Highway – Cornelius Pass Road to 185th Avenue (16T083291)

Project description: This project will widen U.S. 26 to three lanes in each direction between Cornelius Pass Road and NW 185th Avenue, replace the two Rock Creek bridges with one bridge, improve the north side of the Cornelius Pass Road interchange and build a sound wall on the north side of U.S. 26 westbound in the Rock Creek neighborhood.

Traffic impacts: Nighttime lane closures on U.S. 26 eastbound (between Cornelius Pass Road and NW 185th Avenue) from 9 p.m. to 5 a.m.

Lane and shoulder closures on Cornelius Pass Road.

For more information: www.cornpass185.org

U.S. 26 – Sunset Highway – Regional Connections Project (16T063336)

Project Description: This project is the next phase of ODOT RealTime, a system that provides real-time traffic information on roads to help travelers get where they're going more safely and efficiently. New electronic signs will be installed on U.S. 26 between I-405 and OR 217. During sign installations, there will be several full nighttime freeway closures. Work will be complete fall 2017.

Traffic Impacts: Day shoulder closures on U.S. 26 in both directions.

Day and night shoulder and lane closures on SW 185th and Cornelius Pass Road, Murray Boulevard, Scholls Ferry Road in both directions weekdays.

Periodic nighttime closures of the multi-use path along the south side of U.S. 26 (between SW 79th Avenue and SW Katherine Lane) with detours. Path users should expect a section of path reduced to 6 feet.

For more information: www.odotrealtime.org

--more--

U.S. 26/OR 35 – Mt. Hood Highway – ODOT RealTime (17T052456)

Project description: Construction is underway on a project that will place 13 electronic message signs along U.S. 26 and OR 35. These signs are part of the ODOT RealTime system and will provide travelers with real time information so they can make safe decisions.

Traffic impacts: Single lane closures with flagging.

Work will occur in multiple locations along U.S. 26 between Rhododendron and the Wapinitia Junction and OR 35 in Parkdale.

For more information: www.oregon.gov/odot/projects/pages/project-details.aspx?project=18219

Oregon 8 – Cornelius Pass/TV Highway Intersection Project (Private Developer) (17T007850)

Project description: As part of private development, construction is underway to extend Cornelius Pass Road south across TV Highway and the railroad tracks. Improvements on TV Highway also include adding a right turn lane on TV Highway eastbound and a left turn lane on TV Highway westbound for Cornelius Pass Road, adding new street lighting on the north side of TV Highway, and building a buffered bike lane on westbound TV Highway.

Traffic impacts: Periodic daytime lane closures on Cornelius Pass and TV Highway.

For more information: www.corneliuspassintersection.com

Oregon 8 – Pacific Avenue – at OR 47 (Quince Street) Improvement Project (17T040797)

Project description: The improvement project at OR 8 and OR 47 (Quince Street) in Forest Grove will build turn lanes for people driving on Quince Street and Pacific Avenue, as well as build bike lanes and make sidewalk upgrades.

Traffic impacts: Single lane closure on westbound OR 8 from 9 a.m. to 3 p.m. weekdays.

For more information: www.oregon.gov/odot/projects/pages/project-details.aspx?project=18003

Oregon 8 – Tualatin Valley Highway – SW 182nd Avenue to SW 187th Avenue (16T005153)

Project Description: This safety improvement project will included a raised traffic separator on OR 8 – Tualatin Valley (TV) Highway, new street lights, bus pullouts, upgrading signs and signals, and reconfiguring the right turn from northbound SW 185th Avenue to TV Highway to a standard right angle. This project is nearly complete.

Traffic impacts: No traffic impacts.

Oregon 99E – McLoughlin Boulevard – Harold to Harrison Paving (17T039034)

Project description: This project will pave OR 99E in both directions between Harold Street in Portland to Harrison Street in Milwaukie. Also included in the project is replacing the Crystal Springs Bridge with a box culvert and reconstructing parts of the highway. Four weekend closures of OR 99E northbound from Tacoma Street to Harold Street will take place in the summer. Work will be complete by the end of the year.

Traffic impacts: Nighttime single lane closures in both directions from 7 p.m. to 5 a.m. weekdays with traffic shifts.

Right turns from SE Tolman Street and/or SE Bybee Street onto/off OR 99E southbound may be periodically restricted.

For more information: www.oregon.gov/odot/projects/pages/project-details.aspx?project=18776

--more--

Oregon 99W – Pacific Highway West – SW Naito to Capitol Highway (south end) (17T072681)

Project description: This project will restripe travel and bike lanes, remove a center turn lane, install bike boxes to improve safety for people who ride bikes, walk and drive.

Traffic impacts: No traffic impacts.

For more information: www.BarburSafety.org

Oregon 141 – Hall Boulevard – Pedestrian flashing beacon (17T080780)

Project Description: This project will install a new pedestrian flashing beacon on Hall Boulevard north of Oregon 99W. Construction is expected through mid-September.

Traffic impacts: No traffic impacts.

Oregon 213 – SE 82nd Avenue – SE King Road to Mt. Scott Creek Bridge Projects (17T036796)

Project description: This project is the second phase of a three-year project to install new sidewalk curb ramps at the corner of major intersections. In fall 2017, the final phase will pave and add new sidewalk curb ramps between SE Lindy Street and SE King Road.

Traffic impacts: Periodic daytime lane closures in both directions (between SE Southgate Street and King Road).

For more information: <http://lmsc.82ndaveprojects.com> or 24-hour noise hotline 503-412-2374.

Oregon 213 – Cascade Highway South – Embankment work (17T030796)

Project description: Crews are conducting highway repairs on OR 213 just north of South Freeman Road near Mulino.

Traffic impacts: Please be aware and look for traffic changes. One lane of OR 213 will be open in both directions.

Speed lowered to 45 mph between Union Hall Road and Mulino Road.

For more information: www.oregon.gov/odot/projects/pages/project-details.aspx?project=SHHR

Tips for driving safely in work zones

An inattentive driver is the most common cause of work zone crashes. Drivers and their passengers — not workers — make up the majority of work zone fatalities.

What you can do:

- **SLOW DOWN!**
- **Pay attention**
- **Obey signs and flaggers**

Know before you go! Call 511 or visit www.TripCheck.com to check routes, work zones and road and weather conditions before you head out.
