Oregon Business Opportunities 2020

Federal Contracting: What you need to know to take the NEXT STEPS...

This **free** webinar training will include a mandatory FIRST STEP General Session—covering introduction to the day's training and information on utilizing and optimizing GCAP's services. Then, you can register for the track that applies to your business.

GCAP helps you take those next steps to success with federal contracting

Are you new to Federal Contracting? OR, do you have some experience and you're ready for the next steps?

Federal Contracting 101—Learning to Walk: Getting ready to be a Federal Contractor; understanding how the federal government buys; registrations and certifications and marketing to the federal government.

Federal Contracting 201—Learning to Run: Responding to solicitations, understanding types of solicitations and federal supply schedules, and marketing to agencies.

To register for this free training, click links on the left, or go to our website: www.gcap.org and select the events under the "Training" tab.

About GCAP

GCAP is Oregon's Procurement Technical Assistance Center (PTAC). GCAP has over 30 years of success providing assistance services to Oregon businesses, including training and

counseling in marketing goods and services to federal, state, and local government agencies. GCAP provides support to new, growing, and well-established businesses

pursuing government contracting. Whether you are experienced or just starting out, GCAP is available to assist you and your business... for free!

This procurement technical assistance center is funded in part through a cooperative agreement with the Defense Logistics Agency.
