

WE WOULD LIKE TO MEET YOU!

U.S. Hwy. 20 Freight Improvement/Cairo Junction Roundabout In-person meeting

Please join us to hear information and to share your comments regarding the above project. Now that COVID-19 restrictions are lifted, we are holding a face-to-face open house.

What: *Cairo Junction Roundabout In-Person Open House*

When: *July 15, 2021, 6 p.m.*

**Where: *Four Rivers Cultural Center – Owyhee River Room*
*676 Southwest 5th Avenue, Ontario, OR 97914***

During our recent ***U.S. Hwy. 20 Freight Improvement/Cairo Junction Roundabout*** virtual open house held online June 18-July 7, we received several comments about the proposed roundabout. This is where Oregon Highway 201 connects to U.S. 20/26, four miles south of Ontario. The roundabout is part of a larger project that includes freight improvements along U.S. 20 between Burns and Ontario. The project will be designed this year and constructed in 2023.

Comments received included concerns about freight access through a roundabout, impacts to local property owners, roundabout safety and suggestions to install a traffic signal. Each of these issues will be discussed during the July 15 meeting. We hope to see you there.

Most people have an opinion about roundabouts, but many don't know they are proven to save lives. Modern roundabouts are also built with freight traffic in mind. More information about this project, including links to maps, videos and our online open house is at <https://tinyurl.com/OR201-Roundabout>.

Your feedback will help us construct a better, safer project.

ODOT is pleased to comply with the Americans with Disabilities Act (ADA). If you need special accommodations or alternate language formats to participate in this open house event, please contact us (contact information below). Alternate formats available upon request or call statewide relay at 711, or e-mail: ODOTeeo@ODOT.state.or.us...
