

The highway projects listed below are sorted by county, with interstates and U.S. highways listed first, followed by state routes. Traffic impacts are listed in bold type. Location information is listed via milepost number for the highway section, with local crossroads/landmarks identified.

Construction schedules are estimates and subject to change.

We will share updates throughout the construction season. For more information on key projects, visit www.tinyurl.com/odot5 or contact Vicki Moles at 541-620-4527, vicki.l.moles@odot.oregon.gov.
