

Eastern Oregon 2023 Highway Projects

The highway projects listed below are sorted by county, with interstates and U.S. highways listed first, followed by state routes. Traffic impacts are listed in bold type. Location information is listed via milepost number for the highway section, with local crossroads/landmarks identified.

Construction schedules are estimates and subject to change.

We will share updates throughout the construction season. For more information on key projects, visit www.tinyurl.com/odot5 or contact Vicki Moles at 541-620-4527, vicki.l.moles@odot.oregon.gov.

Umatilla / Morrow County area

I-84 Old Oregon Trail Highway - Pave highway from Emigrant Hill, 1.5 miles east of Exit 216, to Meacham, mileposts 217.77-237.99. **No traffic impacts at this time.** Work is scheduled to begin summer 2023. Completion: October 2023.

<https://www.oregon.gov/odot/projects/pages/project-details.aspx?project=21877>

I-84 Old Oregon Trail Highway - Crack seal pavement repairs, mileposts 218-228. **Expect lane closures and reduced speeds throughout work zone. Watch for advanced warning signs, work crews and equipment along highway.** Work is ongoing. Completion: June 2023.
