Oregon Dealer Services Window Services Update

Starting 07/22/2024, Oregon Dealer Services (ODS) will accept expedited title transactions, registration transactions if title is already issued, and Missing Requirement Letter responses as part of window services.

Transaction Restrictions

Title transactions that meet eligibility as described in the following table can be submitted for processing. Up to three (3) Missing Requirement Letter responses or registration applications or expedited titles, or a combination of the three that meet eligibility can be submitted for processing. This limit is per day per dealer for walk-ins¹. All transactions presented will count towards daily limit, including transactions rejected due to missing requirements.

Transactions Eligible	Description	Service Fee
Expedited Titling and Title transfer with or without Registration ² (Dealer Expedite)	This service is for initial submission of a title transaction. If the title transaction has already been submitted, it would not be eligible for expedited service. ³	\$100
Missing Requirement Letter (MRL) Response	A transaction has been submitted to DMV and is missing requirements. The dealer is submitting the missing requirements for the transaction to be completed.	Cost of transaction if fees are missing
Registration only (title already completed)	The title portion of the transaction has been completed and registration is needed. This would include issuing replacement registration, new registration and plate transfers.	Cost of transaction
