

78% of all firearm deaths in Oregon are suicide

Firearm owners lead the way in firearm safety, and together we can lead in the fight against suicide

Firearm QPR - Get Trained to Help Save Lives

Firearm QPR Training gives Good Samaritans the basic skills to recognize the signs that a person might be at risk for suicide, teaches how to ask 'The Question', and how to connect a person to support if needed. These skills are easy to learn, proven to save lives.

This FREE training hosted by Tri-County Gun Club is open to all community members.

You don't have to be a club member or a firearm owner.

The goal is to train as many community members as possible.
