Subject: IPS Fidelity Pause

Dear IPS Programs;

As OHA begins to collaborate with OSECE on making all necessary updates for the new OAR's that will be taking affect 02/01/24; The Division will be temporarily pausing all IPS fidelity reviews from February 1 – April 30, 2024. The fidelity reviews that were scheduled during this time will not need to be rescheduled; including any provisional status programs. Any re-reviews for the remaining of 2024 calendar year will be canceled as the program will no longer have ability to be reviewed based on the old OAR's & tools that were used for initial review. The certifications for these programs will be approved.

Please continue to remain in communication with OSECE to ensure technical support on any procedure changes is received and make sure you are on the IPS listsrv to receive any updates from OHA. If you need to get on this listsrv, please email Angella James (contact info below).

We appreciate all the engagement from IPS programs during this transition to improve the system as a whole and your dedication to the people in your communities.

If you have any questions about this pause; please contact Angella James at angella.pulkownik2@oha.oregon.gov or 503-367-6414.
