

Yamhill County Medical Reserve Corps Honorees

Lynda Claypool, Helen Anderson, Ryan Berger, Cameron Helikson, and especially Ann Russell for supporting all of our Yamhill County Public Health and/or UNIDOS sponsored vaccination clinics.

Yamhill County MRC honorees: from top left, Helen Anderson, Ryan Berger, Neil Cohen, Ann Russell, and Alanna Russell (bottom, far right)

Angie Hannon and Neil Cohen, our appointed Executive Director and Medical Director, respectively, and **Alanna Russell** who served as our Operations Manager for the past year and recently transitioned out of that role. With their support we have begun to chart a course toward sustainability for our MRC program in the years to come.

Last, but not least, **all of our other YCMRC volunteers** who helped us get out in the community more in the last year, showing a presence at more than 10 community events. Thanks for all you do!
