

Marvin Lilly & Janet Stein | Multnomah County Medical Reserve Corps

Marvin Lilly

Janet Stein

Through ice and the oppressive heat, **Janet Stein** and **Marvin Lilly**, two Multnomah County Public Health Department, Medical Reserve Corps (MRC) volunteers are consistently there to respond to and provide medical services at our Heating and Cooling Shelters. Thank you both for giving your service, time

and commitment to this critical service that helps all constituents, especially those that need an extra boost of support.
