

# ACE BASIN FUN DAY

April 11 | 10:00 AM – 2:00 PM

1066 Botany Bay Rd, Edisto Island, SC 29438

Come explore one of South Carolina's most beautiful coastal landscapes while learning about the science, stewardship, and research happening right here in the ACE Basin.

## Guided Beach Walks

10:00 AM & 11:00 AM (Low Tide!)

Join our staff for a guided exploration of the shoreline and discover the organisms, habitats, and coastal processes that make the ACE Basin so unique.

## Meet the Scientists

Stop by educational tables to learn about:

- Ongoing ACE Basin research
- Coastal wildlife & habitats
- Conservation efforts
- Ways you can help protect our coast

This is a FREE family friendly outdoor event!

There are no public restrooms available so please prepare ahead of time.
