Program Overview

How does it work: There are 12 available spots each week. Those groups will be formed by age and level prior to the start of the session. If there is no group that fits your child's ability/level or age, you may be asked to choose a different session. If you don't hear from Coach Tedi prior to the first day of the week that you are registered for, you are set, and we will be expecting your child!

Weather and make-up policy: Each session consists of 4 practices, Monday through Thursday. In case of bad weather, practice will be canceled, and Friday will be used as the make-up day. If you miss practice from one week, you cannot make it up on a different week or time slot. In case of inclement weather, we will send an e-mail 1 hour prior to your start time to notify you if we must cancel. A full practice will be considered if 50% of the on-court time is completed.

How to sign up: You can reserve your spot and register by returning the registration form and paying on the phone or in person at the Rock Hill Tennis Center.

Drop off and pick up: On the first day we will gather at the outside area of the building on the side of Stadium court. Once players start the week on one court, that will be their designated court for the rest of the week and players can go straight to their court on the next days unless a coach instructs them to go to another court. Please consider parking at the top parking lot on the side of Sullivan Middle School (Sullivan's Track parking lot). To pick up the kids, you can come to their court and watch the last few minutes or meet them at the Stadium court bleachers.

Payments: To secure your spot, you must register and pay either by calling and making a payment on the phone or coming to RHTC in person. To receive 100% refund in case of any changes in your schedule, you must withdraw your child 3 days prior to the start of the session. If you cancel after that, you will receive a 50% refund. If you do not let us know that you must withdraw after the camp has begun, you will lose the full amount of your payment. To change participating from one week to another, call RHTC to check with Coach Tedi if there are available spaces.

What to bring: A water bottle, hat (if desired), sunscreen, small towel. If you don't have a racquet, your child can borrow one every day of the week.

What to expect: Kids at this age will be working on hand-eye coordination, balance, racquet control and racquet awareness. They will use red low compression balls, mini nets and lots of cones and spots in appropriate for their age and development basic tennis skills. You are welcome to sign up for one or all 3 weeks. Considering that tennis is a skill of repetition, they will work on very similar skills each week with the goal to get better at those skills so their muscles get used to the motion and they can develop better strokes and racquet control to get to the next level.

Make sure you sign the Liability Waiver and the Photo Images Consent when registering online or in person.
