April 8 - May 30, 2024

Register by April 5th

Program Description:

- Junior Team Tennis (JTT) is an opportunity to experience and learn through match play. This program is for intermediate and advanced level players based on skill level for the appropriate ball color and age.
- Step #1: USTA Jr. Membership required. Follow the steps below.
- Step #2: Register with your child's Jr. USTA number and the Team Number corresponding to their age and ball color.
- One day is a practice day, and the second day is Matchplay day.
- There are no additional make-up dates in this 8-week season.
- For any questions, email Coach Tedi at teditennis@gmail.com
- If a player is currently in the junior programs at RHTC, they will be evaluated during the clinic.
- Requirements for participation: ability to rally and serve consistently.
- The different levels are based on age and ball color. What ball color your junior uses depends on their skill level.
- If a new player needs to be evaluated, they can join and pay for a drop-in clinic until the end of March.
- When choosing a division, we emphasize on the consistency at the level and ball color that a player is most successful with.
- Anyone who is not ready for JTT can join our afterschool youth clinics to continue to develop their skills.
