SUBCHAPTER B. MOTOR VEHICLE REGISTRATION

43 TAC §217.41

The Texas Department of Motor Vehicles (department) adopts amendments to §217.41, Disabled Person License Plates and Identification Placards, without changes to the proposed text as published in the December 22, 2017, issue of the *Texas Register* (42 TexReg 7371). The rule will not be republished.

EXPLANATION OF ADOPTED AMENDMENTS

House Bill (HB) 1790, 85th Legislature, Regular Session, 2017, amended Transportation Code, §681.012(b), eliminating the requirement that the department conduct a hearing to determine whether the revocation of a disabled parking placard should continue or be rescinded. The amended statute allows a person from whom a placard has been seized to apply for a new application by submitting an application under Transportation Code, §681.003.

The amendments are necessary to implement the changes made by HB 1790. Specifically, amendments are adopted to §217.41 to eliminate the requirement for a hearing and clarify that a person may apply for a new placard by submitting an application to the county tax assessor-collector of the county in which the person with the disability resides or is seeking medical treatment if the person is not a resident of this state. Amendments are also adopted to delete the requirement that a law enforcement officer who has seized and destroyed a placard must provide the department with a notice that the placard was destroyed, a copy of the citation issued, and a brief summary of events giving rise to the citation. Instead, the adopted amendment would require a law enforcement officer who seizes and destroys a placard to notify the department by electronic mail.
