# ADDITION

The *Texas Register* is required by statute to publish certain documents, including applications to purchase control of state banks, notices of rate ceilings issued by the Office of Consumer Credit Commissioner, and consultant proposal requests and awards. State agencies also may publish other notices of general interest as space permits.

## Automobile Burglary and Theft Prevention Authority

### Correction of Error

The Automobile Burglary and Theft Prevention Authority submitted a notice of withdrawal for proposed amended 43 TAC §§57.48 - 57.51 and new §57.52, which appeared in the June 22, 2018, issue of the *Texas Register* (43 TexReg 4212). Due to a *Texas Register* error, the sections were incorrectly numbered. Also in the same notice, the date of the proposed rules' previous publication was incorrectly typed. The corrected paragraphs read as follows:

"The Automobile Burglary and Theft Prevention Authority (ABTPA) adopts amendments to §57.18, Grant Adjustments, without changes to the proposed text as published in the December 15, 2017, issue of the *Texas Register* (42 TexReg 7115). The rule will not be republished.

The remaining rules included in the proposal, §§57.48 - 57.52, are withdrawn in accordance with §2001.027, Texas Government Code. The ABTPA anticipates future meetings and discussions with stakeholders regarding these withdrawn sections."

## Comptroller of Public Accounts

### Certification of the Average Closing Price of Gas and Oil - May 2018

The Comptroller of Public Accounts, administering agency for the collection of the Oil Production Tax, has determined, as required by Tax Code, §202.058, that the average taxable price of oil for reporting period May 2018 is \$47.37 per barrel for the three-month period beginning on February 1, 2018, and ending April 30, 2018. Therefore, pursuant to Tax Code, §202.058, oil produced during the month of May 2018, from a qualified low-producing oil lease, is not eligible for a credit on the oil production tax imposed by Tax Code, Chapter 202.

The Comptroller of Public Accounts, administering agency for the collection of the Natural Gas Production Tax, has determined, as required by Tax Code, §201.059, that the average taxable price of gas for reporting period May 2018 is \$2.06 per mcf for the three-month period beginning on February 1, 2018, and ending April 30, 2018. Therefore, pursuant to Tax Code, §201.059, gas produced during the month of May 2018, from a qualified low-producing well, is eligible for a 100% credit on the natural gas production tax imposed by Tax Code, Chapter 201.

The Comptroller of Public Accounts, administering agency for the collection of the Franchise Tax, has determined, as required by Tax Code,

§171.1011(s), that the average closing price of West Texas Intermediate crude oil for the month of May 2018 is \$69.98 per barrel. Therefore, pursuant to Tax Code, §171.1011(r), a taxable entity shall not exclude total revenue received from oil produced during the month of May 2018, from a qualified low-producing oil well.

The Comptroller of Public Accounts, administering agency for the collection of the Franchise Tax, has determined, as required by Tax Code, §171.1011(s), that the average closing price of gas for the month of May 2018 is \$2.83 per MMBtu. Therefore, pursuant to Tax Code, §171.1011(r), a taxable entity shall exclude total revenue received from gas produced during the month of May 2018, from a qualified low-producing gas well.

Inquiries should be submitted to Teresa G. Bostick, Director, Tax Policy Division, P.O. Box 13528, Austin, Texas 78711-3528.

This agency hereby certifies that legal counsel has reviewed this notice and found it to be within the agency's authority to publish.
