About the Release

These Release Notes contain information about new features, enhancements, and reported issues resolved in this release of the Registration and Title System Point of Sale (RTS POS).

Release Notes are located under the **Release Notes & Support** tab on the TAC Hub (www.txdmv.gov/tax-assessor-collectors).

RTS POS Overview

The refactored RTS POS is a web-based application designed to process vehicle registrations, titles, and temporary permits for Texas motorists. RTS POS provides functions for cash accounting, funds allocations, and a full audit trail along with inventory control for license plates, windshield/plate stickers, and temporary permits.

Getting Help

When logged in to the RTS POS, you can display reference information about using the RTS POS and get specific application-level help.

- To get application-level help, click **Help** on the page you are viewing.
- To see the entire user assistance web site, select **Help > User Guide** on the main page menu bar.

Additional Resources

For additional resources for the RTS POS, see the TAC hub (www.txdmv.gov/tax-assessor-collectors). Open the **Resources** tab, select **Publications & Manuals** | **TAC** | **RTS Support**.

Legislative Enhancements in Release 26.1

The following Enhancements displayed in this section for the 26.1 Release Notes are mainly focused on change in the vendor payment system and other bills.

The Department of Information Resources (DIR) has selected First Data Merchant Services (FDMS) as its new Payment Services Provider, replacing NIC/Tyler Tech for webPERMITS, MVINet, payments made through RTS at the Regional Service Centers, and Texas by Texas (TxT). The new payment pages are displayed below:

6. When processing an existing record in RTS to obtain a Frac Tank License Plate, and there is no change of ownership or lien holders being added to the vehicle record, on the **Sales Tax TTL012** screen, select "Exempt" under the "Categories" dropdown menu and then select "OTHER" under the "Exempt Reasons" dropdown menu before proceeding. This ensures the existing RTS record is not charged sales tax twice.

The screenshot displays the "Sales Tax TTL012" screen within the "REGISTRATION & TITLE SYSTEM". The interface includes a navigation bar with options like Customer, Miscellaneous, Reports, Local Options, Accounting, Inventory, Funds, Exit, and Help. The main form area contains several sections:

- Categories:** A dropdown menu set to "EXEMPT".
- Date of Assignment:** A field showing "Sales Tax Date: 12/01/2025".
- Sales Tax Info:** Fields for "Sales Price (less \$)", "rebate:", "Trade-In:", "Tax Paid Other State:", a checkbox for "Military", and "Penalty Percent: 0".
- Exempt Reasons:** A dropdown menu set to "OTHER".
- Delinquent Transfer:** A section with "Penalty Fee: 0.00" and radio buttons for "Dealer", "General Public", "Exempt" (selected), and "Military".
- Trade-In Info:** Fields for "Year/Make:", "VIN:", and a checkbox for "Additional Trade-In(s)".
- Tax Permit Number:** A field labeled "NON-TITLE".

A red message at the bottom of the form states: "Delinquent Transfer Penalty Fee Not Applicable." At the very bottom, there are buttons for "Enter", "Cancel", and "Help".

7. Proceed to complete the transaction.
