

2025-26 EXECUTIVE LEADERSHIP COMPASS

Executive Leadership Compass is a four-part professional learning series that equips superintendents and executive-level leaders with the tools to lead strategically through change, build sustainable leadership pipelines, and drive system-wide improvement. Each session integrates **timely updates, expert panels, and high-impact district practices** aligned to TEA priorities. Sessions are designed to support both in-person and virtual participants through collaborative problem-solving, strategic planning, and alignment of vision, culture, and outcomes.

In-person and **virtual** meetings are held from **9:00 a.m. to 2:00 p.m.**
